Education

Bachelor's degree of Computer Science

Vienna University of Technology

2012/01 – 2015/07

Professional Experience

2021/05 – present

Senior Web Developer

Allen Hamilton

- Planned, developed, tested, deployed, and maintained web applications.
- Provided effective troubleshooting and remediation for web applications.
- Wrote SQL statements and stored procedures.
- Worked well independently and within a team setting.
- Effectively translated client requirements into application designs and systems requirements.
- Followed policies and procedures related to application methods and quality standards at all times.

2015/07 – 2021/04

Constanta

Junior Web Developer

Millbank and Morrison

- Worked as a productive and positive team member to design, code, test, report, and debug operations.
- Managed front-end and back-end development in the company's Portfolio Analyst, Employee Track, and Account Management systems.
- Successfully identified, diagnosed, and fixed website problems, including broken links, typographical errors, and formatting issues.
- Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.
- Worked to assess competing websites in regards to content, look, and feel.
- Evaluated and became knowledgeable in new standards, technologies, and trends in website development.
